💡 Welcome to the Cyber Detective Academy! The internet has traps: fake messages, stolen passwords and strangers pretending to be friends. Today you learn to spot them — and to protect yourself.

🎯 What I will be able to do

⭐ I make a strong password with the secret-sentence method.
⭐ I spot the red flags in a fake message.

📚 Key words

Password
The secret key to my account.

Phishing
A fake message that tries to steal details.

Digital footprint
All the traces I leave online.

Personal details
Name, address, school, phone, passwords.

🔥 Warm-up

Write one thing you would never tell a stranger online.
